Montfort 100 Fund-Centennial Fund Raising Dinner

My Dear Fellow Montfortians & Friends of Montfort

2016 is a special year for all Montfortians. Montfort is 100 years old!

Multitudes have benefited from the holistic education that is the hallmark of Montfort's brand and have gone on to lead lives of service and distinction to family, community and nation.

In the spirit of giving, and being true to our mission of a Montfortian being a Man for others, the Centennial Celebrations Committee is launching the Montfort 100 Fund with a target of \$1 million. All donations will enjoy tax-exempt deductions.

The money raised will be used to fund several projects; theatre facilities, media production, financial assistance for our needy students and scholarships and bursaries to retain our better students and sportsmen.

The Fund Raising Dinner will be on Saturday April 9th at the Four Seasons Hotel. Prime Minister Lee Hsien Loong will be our Guest-of-Honour.

It will be a very special dinner limited to 30 tables. To meet the target of \$1 million, seats are priced at \$10,000, \$5000 and \$1500 each. Initial response to our soft launch has been encouraging. We appeal to you to open your heart to help us meet this once-in-a-hundred-year target.

My fellow Montfortians and Friends of Montfort, I ask for your generous support to this worthy cause. Thank you.

Yours sincerely,

Lim Boon Heng
